

Keep It Safe!

Please take this briefing sheet with you

It is designed to give you guidance to ensure your health and safety during today's street clean

Organiser's Name:	
Organiser's Mobile:	

Dress for the occasion

- Wearing your protective gloves at all times
- Wear sturdy shoes – no sandals/flip flops!
- Hi-Vis waistcoats/jackets are highly recommended

Beware dangerous items

- If you come across any items you are not sure about, do not touch it – report it to the organisers
- Avoid picking up items that are large/bulky
- Avoid deep/fast flowing water, current or tides, steep, slippery or unstable banks, sharp rocks, mud holes, derelict buildings, busy roads & electric fences (these usually have yellow warning signs)
- If you get a cut, however minor, cover it immediately with surgical tape/waterproof plaster
- Avoid rubbing mouth/eyes whilst collecting litter
- Wash your hands & forearms before eating, drinking or going to the toilet or anything else that requires physical contact.

Keep in contact

- Make sure you know how to get in touch with your organiser in case you need to report a dangerous item or for any other reason.
- Take a mobile phone with you
